

# Ocean Sailing with TMM

Offshore Passage Making • Coastal Passage Making • Advanced Coastal Cruising

Join ASA and US Sailing certified Offshore Passage Making instructor Capt. Andrew Bereson on TMM's newest 48' Salina Catamaran by Fountaine Pajot on her voyage from Annapolis to Tortola this fall.

Topics include: Vessel Selection • Passage Planning • Preparation • Provisioning  
Coastal Navigation • Celestial Navigation • Watch Keeping • Safety • Weather

ASA and US Sailing certification available.

**Two classes are planned. All classes are taught by two instructors and class size is limited to guarantee quality instruction.**

**Depart Annapolis, MD 10/16/2008 • Arrive Bermuda 10/24/2008**

We will spend several days exploring the Chesapeake Bay before heading offshore. This trip will be a mix of Coastal and Offshore Sailing and should provide a wide variety of conditions.

\*9 Days – \$2,000

**Depart Bermuda 10/26/1008 • Arrive Tortola 11/3/2008**

A classic 1000nm Offshore Passage as we reach across the trade winds. We also have liferaft and rescue exercises planned for the last day of this trip.

\*9 Days – \$2,000

**Sign up for both or bring a buddy...Discounts available for multiple bookings**

All prices include provisioning, and textbook. Shared accommodations. No formal prerequisites to participate. Candidates for certification must meet certain prerequisites before departure.
